GENERAL POLICY OF BISHRAJ COLLEGE OF DENTAL SCIENCES AND RESEARCH CENTRE

1. The management should take the welfare of the patients as its motto.
2. The management should pay their attention to the following points:
 - a) The management should not concern about its reputation in the market.
 - b) The management should not like to be compared with other institutions.
 - c) The management should not compare their fee with other institutions.
 - d) The management should not compare their quality with other institutions.
 - e) The management should not compare their service with other institutions.
 - f) The management should not compare their facilities with other institutions.
 - g) The management should not compare their staff with other institutions.
 - h) The management should not compare their infrastructure with other institutions.
 - i) The management should not compare their location with other institutions.
 - j) The management should not compare their history with other institutions.
 - k) The management should not compare their name with other institutions.
 - l) The management should not compare their logo with other institutions.
 - m) The management should not compare their motto with other institutions.
 - n) The management should not compare their vision with other institutions.
 - o) The management should not compare their mission with other institutions.
 - p) The management should not compare their values with other institutions.
 - q) The management should not compare their culture with other institutions.
 - r) The management should not compare their ethics with other institutions.
 - s) The management should not compare their integrity with other institutions.
 - t) The management should not compare their honesty with other institutions.
 - u) The management should not compare their trustworthiness with other institutions.
 - v) The management should not compare their reliability with other institutions.
 - w) The management should not compare their accountability with other institutions.
 - x) The management should not compare their responsibility with other institutions.
 - y) The management should not compare their transparency with other institutions.
 - z) The management should not compare their openness with other institutions.

VISION

Bishraj College of Dental Sciences aims to benefit the people of India through the provision of quality dental services and to be a leader in the field of dental education, research and patient care.

MISSION

Through our efforts, Bishraj College of Dental Sciences aims to be a national dental institution and a leading institution in dental education, research and patient care. Our health care providers will have the highest standards of care and will be recognized for the quality of the services and for the manner delivered. We will enhance excellence and innovation in all areas of our Mission and will aim for progression and progress in our teaching, research, patient care and service. We will work with all dental and professional organizations and will cooperate with all institutions while the aim of Bishraj College of Dental Sciences will remain to be the improvement of the health of its patients, particularly the underserved and disadvantaged.

DEPARTMENT OF PEDODONTICS

Non-Pharmacological Methods Of Behaviour Management
Behaviour Management is defined as the process by which the dentist or dental professional efficiently performs dental treatment and thereby instils a positive dental attitude (Wright, 1975)

GUIDED BY:
Dr. Satish Maran
Dr. Rabita Niranjana

घाती में गुला खींचने से पहले
 नीचे की तरफ नजर पड़ लेना...
 (Image of a child's face)
 दीवार की ऊँच से भी
 उभरू चलक गए...
 जब एक साल मजदूर ने
 उनसे पूछा
 क्या ऐसी क्वेड टवाई है
 जिस से भूख की भा लगे ?
 इतना ही तो घाती में
 खर्पे का आग घाती में
