

PROGRAM REPORT

PROGRAM – Expert lecture on “the newer drugs and clinical drug trial rule 2019”

SPEAKER – Dr. Narayanan Ganesh

DATE – 13th June 2023

TIME: 01:00 PM onwards

VENUE: Auditorium, Rishiraj College of Dental Sciences and Research Centre, Bhopal

PROCEEDINGS OF THE PROGRAM:

A lecture was conducted by the ethical committee of Rishiraj College of Dental Sciences and Research Centre, Bhopal on “the newer drugs and clinical drug trial rule 2019” for the postgraduates and the teaching faculty of the institute. He shared that the ethical committee is required to follow requirements set as per new rules and to forward their report to Central Licensing Authority (CLA). He discussed and clarified the doubts of the audience with regard to the new rules. Apart from that he encouraged the post graduate students to do comprehensive research and gave pointers on how to publish the same. He also shared his experiences during his research time which again helped the students and faculty.

PROGRAM REPORT

PROGRAM : IPR on “Research Protocols and Synopsis writing”

SPEAKER : Prof. Dr. Vivekanand Kattimani

DATE: 24th January 2023

TIME: 1 PM onwards

VENUE: Auditorium, Rishiraj College of Dental Sciences and Research Centre, Bhopal

PROCEEDINGS OF THE PROGRAM:

An expert lecture by Yoga Acharya Prof. Dr. Vivekanand Kattimani, professor and Ph.D. guide, department of Oral and Maxillofacial Surgery, Sibar Institute of Dental Sciences, Guntur, Andhra Pradesh, was organized for the post graduate students of the institute. He not only described the research protocols but also instilled an attitude into the student’s minds of questioning everything as to how, why, what and when in ever phenomenon. He took the students to a journey of research work starting from the need to formulate the research problem to formulation of problem statement to formulating research hypothesis to identifying research objectives and finally reaching the expected outcome of research. He then showed a sample of synopsis and emphasized on all the points to be mentioned in a synopsis. Worth mentioning was the ICMR research guidelines manual that he spoke about. The students had an interactive session after the lecture with him in which they showed their synopsis and he gave many suggestions to upscale their research work.

PROGRAM REPORT

PROGRAM : Expert talk on “Scientific research proposal writing”

SPEAKER : Dr Sunali Khanna

DATE: 27th December 2022

TIME: 11 AM onwards

VENUE: Auditorium, Rishiraj College of Dental Sciences and Research Centre, Bhopal

PROCEEDING OF THE PROGRAM:

A lecture by Dr Sunali khanna was organized for the intern and PG batch. She explained in detail about the Scientific research proposal writing, Then she individually spoke about each point and gave tips go about with that point. She told students that It should be concise and descriptive. It must be informative and catchy. an effective title not only prick’s the readers interest but also predisposes him/her favorably towards the proposal and the title may need to be revised after completion of writing of the protocol to reflect more closely the sense of the study.
